 Submit

4. You will see a list of instructions after you have registered. Here's what will happen next:
 - a. We need to verify your email address is valid. You will receive an email shortly with a link to click to verify your email address. Click that link to verify your email address.
 - b. A JTEKT administrator will approve your access.
 - c. Once both of these things have taken place, you will receive an email saying you access has been approved. You can proceed to the Portal home page and login to the site.
